ARRANGEMENTS FOR FUNERAL SERVICES, INTERMENT & SHIPMENT

GENERAL PRICE LIST

EFFECTIVE February 2, 2009

(PRICE AND FEES SUBJECT TO CHANGE WITHOUT NOTICE)

TO THOSE WE ARE PRIVILEGED TO SERVE

Federal and State agencies have determined that itemization of funeral services is essential for the benefit of the general public, to assure that consumers are not asked to pay for services they do not receive. It is essential that each item of service, in addition to our basic fee for services, be identified. In all categories of service, a basic fee will be charged plus a fee for each requested or required item of service. Other options are also available. It is our sincere concern that every requirement you may have be fulfilled, in addition or apart from our standard offerings as listed here in. Please feel free to express yourself to our counselors. We will make every effort to meet your needs.

The survivor of the deceased who is handling the funeral arrangements, or the responsible party, is entitled to receive, prior to drafting of any contract, a copy of any pre need agreement that has been signed and paid for, in full or in part, by or on behalf of the deceased, and that is in the possession of the funeral establishment.
